

Lies

The lies.
My heart stopped beating
Like the last second
Of 11/11
The hope
The joy
The happiness that I once had
Perished before my very eyes
But you couldn't do anything.
I admit it
I wasn't strong
I wasn't strong for you
I wasn't strong.....for myself.
I exposed my last tear
Laugh
Anger to the world
But don't worry now
They won't see that anymore
But my only flaw
Was that I was weak.
