GCSEs (Maths and English)

It is the expectation that trainees re-sit and achieve their GCSE English and Maths grade 4 or above. The vast majority of courses at university expect a grade 4 or above in order for trainees to secure a place. It's important that you look at the entry requirements section on the university's website to verify if this applies to the course that you have applied for.

Grade	Information
5-9	Strong Pass and Above- Equivalent to the old B, A and A* grades
4	Standard Pass Grade - Equivalent to the old C grade
1-3	Below a Standard Pass - Equivalent to the old F, E and D grades
